## Allah ﷻ sees everything - Al-Baseer

Allah ﷻ sees everything.

Allah ﷻ sees everything that we do.

Allah ﷻ sees the good that we do.

Allah ﷻ sees the evil that we do.

Allah ﷻ sees us but we cannot see Allah.

### The favourite disciple

Junayd ؓ used to live in Baghdad. He was a very pious man. He was also a teacher and had a lot of students.

One child in particular was Junayd's favourite student because of his excellent qualities and character. Junayd noticed that the rest of the class felt jealous of his favourite student. One day he assembled all the students to talk to them and said 'each one of you get a chicken and go to such a place where you will be able to slaughter it without anyone being able to see what you are doing. Bring the meat to me afterwards and I will prepare for you a special meal'

Each student followed the instructions of the teacher and each of them went to wherever they thought no one would see them, and slaughtered their chicken. All the students came back to their teacher carrying with them the meat. With the exception of Junayd's favourite student. To the surprise of everyone, his chicken was still alive!

The pious teacher asked his favourite student, 'why have you not slaughtered your chicken?'

The student replied, 'I could not find any place where no one could see me. Every place where I went, Allah ﷻ could see me all the time!'

After hearing the explanation of his favourite student, Junayd turned towards the rest of the students and said, 'now all of you can understand why this student is my favourite.'
